NOTES FOR THE DEPUTY DIRECTOR

Mr. Oechsner, State, inquired if the CIA representative to the working group of the Interdepartmental Consultative Group for Coordination of Foreign Information Measures had been appointed. He was advised it was my impression that the Deputy Director had announced at the last meeting of the Consultative Group that one had been appointed and would be ready for duty 12 April. Mr. Oechsner then inquired the name of the representative and was informed that, while I knew of those who had been considered, that I did not know the one selected. He advised the reason for this inquiry was for the purpose of having an "informal chat" with the representative prior to entering on duty to brief him on background of the Group, etc. He stated that Air Force representative had been appointed and he intended to have him for lunch.

Mr. Oechsner also advised that a meeting of the Consultative Group was being called for 1100 Friday, 16 April, at which time the working group would have an opportunity to report their progress.

The Director received a memo from Dir of Security & Intelligence, AEC, restating desire to receive currently all significant information which would have a bearing on their export control responsibilities.
